Bioenzymatic Carpet Spotter

Environmentally preferred, biologically based carpet spotter that removes tough stains from carpets through combined detergent and enzymatic action.

- Effectively removes stains without harsh chemicals
- Detergent action for rapid stain removal
- Biologically eliminates source of the stain

Package: 1 quart
Mfg Model No: R01001
Grainger Item No: 3HUL6

High-Foam Carpet Shampoo

Environmentally preferred carpet shampoo designed for deep cleaning. "Dry" foam allows for rapid drying and a quicker return to use. Inhibits surface resoiling and leaves behind a fresh fragrance. Safe on stain-resistant treated carpets.

- For use with bonnet cleaning
- "Dry" foam formulation
- Resist resoiling
- Safe on stain resistant treated carpets

Package: 1 gallon
Mfg Model No: R01124
Grainger Item No: 3HUL7

Package: 5 gal pail
Mfg Model No: R01135
Grainger Item No: 3HUL8

Bioenzymatic Deodorizing Stain Remover

Biologically based deodorizing formulation that uses enzymatic activity to eliminate stains and odor causing soils leaving a pleasant fresh fragrance. Use on carpets, bathroom floors or as a laundry pre-spotter. Excellent on odor causing pet stains.

- Spray on, no scrubbing required
- Eliminates source of odor causing stains
- Pleasant fragrance

Package: 1 quart
Mfg Model No: R00801
Grainger Item No: 3HUL4

Lemongrass Carpet Extraction Solution Concentrate

Environmentally preferred carpet cleaner with light lemongrass fragrance. Designed for hot water extraction or bonnet method carpet cleaning. Safe on stain-resistant treated carpets. Friable surfactants dry to a powder which are easily vacuumed up leaving no residue behind.

- May be used with bonnet or extraction cleaning methods
- Effective on heavy soils and stains
- Inhibits resoiling

Package: 1 gallon
Mfg Model No: R00624
Grainger Item No: 3HUL1

Package: 5 gal pail
Mfg Model No: R00635
Grainger Item No: 3HUL2

Heavy-Duty Carpet Spotter

Water soluble solvent based aerosol formulation removes oil and petroleum-based spots as well as water based soils and stains on carpet. Inverted spray can design for ease of use. Not suitable for stain resistant treated carpets.

- Petroleum-based formulation
- Spray on stain and blot with cloth
- Safe on color fast carpets
- Not suitable for stain resistant treated carpets

Package: 24oz can
Mfg Model No: R00901
Grainger Item No: 3HUL5

Pre-Moistened Carpet and Upholstery Spotter Towels

Heavy-duty spotter towels designed to loosen and pick up soils of all types. Instantly remove stains from upholstery and carpet. Tough fabric construction will not tear or rip on carpet.

- Convenient, easy-to-use
- Removes water based and greasy soils
- Works instantly

Package: 72 towels per tub
Mfg Model No: R09001
Grainger Item No: 3HUY4

Carpet Pre-Treatment Solution

Ready-to-use, water-based carpet cleaning formula penetrates carpet soils and separates them from fibers. Low foam formula will not disrupt extraction carpet cleaning. Safe on stain resistant treated carpets.

- Spray on stains and high-traffic areas prior to extraction cleaning
- Safe on stain resistant treated carpets
- Effective on tough soils

Package: 1 quart
Mfg Model No: R01201
Grainger Item No: 3HUL9

Package: 5 gal pail
Mfg Model No: R01235
Grainger Item No: 3AGD1

Stain Remover with Peroxide

Highly effective, easy to use carpet and upholstery stain remover formulated to remove difficult stains and odors without the use of damaging chemicals. Safe on stain resistant treated carpets. Simply spray and walk away.

- Spray on, walk away
- Fast acting
- Applicable for most water safe fabrics

Package: 1 quart
Mfg Model No: R00701
Grainger Item No: 3HUL3
